

Commitment of Time and Talent 2022

Commitment to participating in God's ABUNDANCE with your Time and Talent.

Participating in God's abundance is about recognizing that God uses our gifts and talents to multiply the church's impact on our community. The areas listed on the other side of this card are just a sample of ways you can use your time and talents. Select an area of interest and a ministry leader will be in touch with you in early 2022. Please use a separate card for each person in your family. Additional cards are available online at Aldersgate.net.
